Explanatory Note Concerning Manuscript Collections Cataloged in the Card Catalog

Prior to 1990 when archival cataloging procedures were adopted at the Ransom Center, all manuscript collections were described in a card catalog.

Organization of Collections:

- Manuscripts for each author collection were organized into four categories:
  - **Works**: manuscripts by the author, arranged alphabetically by title;
  - **Letters**: the author’s outgoing correspondence, arranged alphabetically by recipient name;
  - **Recipient**: the author’s incoming correspondence, arranged alphabetically by the author of the letter; and
  - **Miscellaneous**: all other manuscripts and correspondence, arranged alphabetically by creator.

Materials that did not fit into these categories, such as art, photographs, books, and near-print materials such as newspaper clippings, were dispersed to other Ransom Center collections for cataloging and storage.
